Work Experience

WNET: Interactive Engagement Group – Digital Producer　　　　　*New York, NY (Sept. 2016 - Present)*
Designed, built and maintained pages for the station's websites. Acted as a project manager with the American Masters team, NYC-Arts team, and independent documentaries teams, maintaining their respective sites and orchestrating multi-media campaigns. Produced and edited video series and multimedia content for various sites and campaigns.

Freelance – WordPress Front End Web Developer　　　　　*New York, NY (Sept. 2016 - Present)*
Worked with clients to update, redesign, or launch sites for their organizations or small businesses. Clients include bakeries, realtors, and a local chapter of the EAA. Sites were built in WordPress and Drupal, using HTML5, CSS3 and Javascript.

Wisconsin Public Television – Online Editor　　　　　*Madison, WI (2014-2016)*
Designed, built and maintained pages for the five main websites managed through WPT. Worked with the promotions team to craft multi-media content for the station's blog and social media platforms. Collaborated and supported staff whenever online and multi-media work was needed.

Madison Commons – City Life Editor　　　　　*Madison, WI (2013-2014)*
Shaped the City Life section in a hyper-local online news platform; Regularly produced multimedia news packages including articles, photos and videos

University Communications – Multimedia Journalist & Blogger　　　　　*Madison, WI (2012-2014)*
Designed, built and managed the University of Wisconsin-Madison student life blog, "Kait and the Badger," using WordPress, HTML and CSS. Created video, photo & written content and built an audience of ±900 followers.

The Clarion – News Editor　　　　　*Madison, WI (2011-2012)*
Orchestrated the news section in a bi-weekly student publication; Coordinated staff & contributed multimedia news packages regularly for both print and online platforms
